

Group daily sickness benefits insurance

Information sheet for employees when leaving the company

Right of transfer to individual insurance

Insured persons resident in Switzerland are entitled to transfer to AXA individual insurance when they leave the group of insured persons or if the contract is canceled.

For insured persons who transfer, AXA will grant insurance coverage under the current conditions and tariffs of the individual insurance, without the insured person having to undergo a medical examination, to the amount of previously insured benefits. The state of health and age upon entry into the group daily sickness benefits insurance are decisive.

There is no such right of transfer:

- if the insured person changes jobs and transfers to the daily sickness benefits insurance plan of the new employer
- if the group daily sickness benefits insurance is placed with a new insurer and the latter is obliged to maintain the same level of insurance coverage
- for insured persons as of the date that the full AHV/OASI retirement pension is drawn, but at the latest upon reaching the AHV/OASI reference age
- if the person's domicile is abroad

The right to transfer must be exercised within three months of leaving the group of insured persons or cancellation of the contract respectively receipt of this information sheet.
