

How valuable are your favorite pieces?

Valuables insurance is the ideal supplement to your household contents insurance and offers you individual coverage at home and elsewhere. Each valuable item is recorded individually. This makes it easier to prove the value in the event of a claim.

Scope of coverage

Valuables insurance covers financial loss arising from theft, robbery, loss, misplacement, destruction, or damage of any of your precious items. Coverage is worldwide except for paintings.

You can include:

- Jewelry
- Watches
- Furs
- Paintings
- Musical instruments (classic string instruments and plucked string instruments)

Valuation

- Purchase receipt
- Assessment by an expert

Theft prevention

We are happy to advise and support you regarding the choice of a suitable security system (e.g. safe or alarm system).

Art Loss Register

AXA works closely with the Art Loss Register.

The advantages:

- Global search for stolen items of value
- Total value of annual replacement and repatriation: more than CHF 200 million.

Additional benefits

- Detailed inventory of your valuables
- Help in selecting your security system
- Professional collaboration with the Art Loss Register
